Sunday Closed | Open During Summer Trading Season

FIBERGLASS SWIMMING POOLS INSTALLATION IS EASIER THAN YOU MIGHT THINK COMPARED TO CONCRETE OR VINYL INSTALLATION, FIBERGLASS IS THE WAY TO GO.

When choosing your pool an independent dealer will come to your home and guide you. After all, that is where your pool's going to go and it's also where you will feel at ease.

You will be shown perfect small scale models of pool styles to help you visualize which one will best suit your needs and your location. Your dealer will also show you accurate samples of colors and textures to ensure you make the most informed decision possible.

Your dealer will personally assess and advise you on the best options for positioning and installing your pool into your yard. Even if you think your yard is inaccessible, relax, our vast expertise can probably find a solution.

Once your order has been placed, an independent dealer (in your area) will assist you with permits and installation. You can be swimming in your new Leisure Pool just a few days after installation starts with minimum of disruption to your everyday lifestyle.

Even though the whole project can be completed within a few weeks, it still constitutes major construction. To give you a feel of the process follow the installation below, pictures speak a thousand words. If you have questions or would like to contact a Leisure Pools representative please call 830.387.4020 or fill out one of our contact forms.
